STORAGE BIN UNITS

FOR REPAIR SHOPS—MAINTENANCE DEPARTMENTS—
PARTS STORAGE

Tidy housekeeping insures greater efficiency in shop or office. Here is a special selection of storage bin units for orderly arrangement of parts and important small items. "Snap-in" dividers adjust horizontally on every shelf at 1 inch intervals. Shelves are adjustable up or down at 1½" intervals, except where dividers are used. Uprights are attractively double-beaded. Finished in Gray baked-on Enamel.

SHIPPED FULLY ASSEMBLED, READY FOR INSTANT USE

STEEL STORAGE BINS

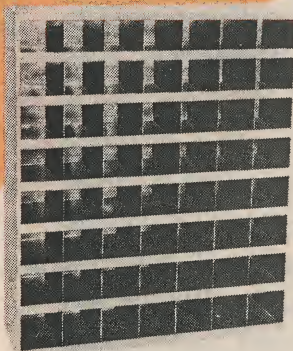

All units are 12" deep.

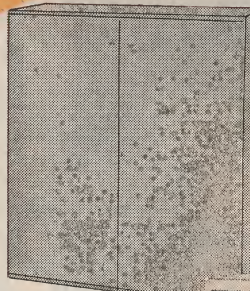

Shipped fully assembled

Perfect for storing a wide variety of parts, hardware, etc. Storage bins are welded, all steel construction. Special interlock design prevents cabinet warpage and oil canning. "Safeguard" bin lips keep parts securely in place, prevents spillage.

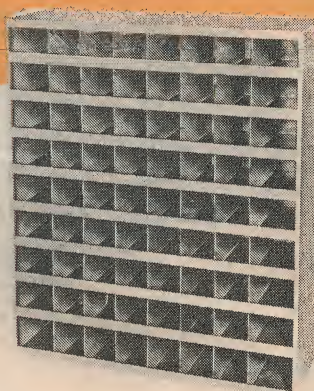

Finish—green baked on enamel.
